

BB⁺PRO

NATURAL STONE RUST AND MINERAL STAIN REMOVER

Its powerful formula dissolves rust, metal run-off stains and mineral deposits on natural stone surfaces, restoring their original look without damaging the surface.

FEATURES

REMOVES RUST, IRON OXIDE AND METAL RUN-OFF STAINS.
Effectively dissolves rust stains on the surface.

DOES NOT DAMAGE THE SURFACE.
Preserves the stone's natural texture and shine; non-abrasive.

DISSOLVES LIMESCALE, WATER STAINS AND MINERAL DEPOSITS.
Removes limescale and mineral residue that builds up over time.

CONCENTRATED FORMULA, ECONOMICAL TO USE.
High performance from a small amount of product.

SAFE FOR NATURAL STONE.
Safe on acid-resistant stones such as marble, travertine and granite.

DEVELOPED FOR PROFESSIONAL USE.
Powerful results on tough stains, easy application.
